

Puhinui School

Family Science Afternoon 18th September 1.50 p.m.

3 September 2019

Dear Parents and Caregivers,

This term, Puhinui School has been enjoying a school-wide science focus. Our goal has been to raise childrens' sense of wonder in the world around them and to develop scientific skills and an interest in the world from a scientific perspective.

In order to celebrate student learning in science, we are holding an 'open' afternoon when parents and caregivers are invited to see what their child has been learning and the experiences they have been involved in. The science afternoon will be held on Wednesday 18th September from 1.50 p.m. to 2.45 p.m. We hope that you are able to join us.

We would like an indication of how many parents and family will be attending; please complete the slip below and return it to your child's classroom teacher by **Friday the 13th September.**

Kind regards,
Puhinui School Science Team

INDICATION OF INTEREST FOR SCIENCE AFTERNOON

I am interested in attending 'The Science Afternoon' which will be held on Wednesday, September the 18th to view the science work of

_____ Room _____

_____ Room _____

_____ Room _____
